

# Michel Tohane

President, Group FBO Services

---

Biography | October 2021

Michel joined Luxaviation Group in April 2021 as FBO Network Development Executive and brings a wealth of experience to the new role.

Michel's background in the aviation industry started in 1989 at Sabena and Swissair. During this time, he built up extensive experience in a broad range of areas including operations, strategy, planning and network development. In 2001 Michel joined the "Aéroports de la Côte d'Azur" Group as Head of Network Development before moving into the role of General Aviation Business Unit Director in 2012. Michel then moved on to founding and developing the Sky Valet FBO Brand as Network Executive Vice President.

In his new position as President of Group FBO Services Michel will develop and add value to our International Network of FBOs, while reinforcing a lasting and robust multi-site relationship with our customers and deploying our sustainable development strategy related to our Ground Handling Activities.
